Strange World

The Kelly Family

Flowers and lights are taking my feet of the ground And I'm flying speeds completely unknown to man No one can help me once I'm off to dreaming time I've entered that world and I'm on my own And I feel it all right

It's a strange, strange world

It's a strange, strange world

At night

Mama Mary, what you got cooking for me this time

I swear I saw the devil running across the room last night

Doctors an dioxine ain't gonna medicate me, no

Darling in your arms I'll be fine with a cup of tea

Well I, I'm a parnanoia schizophrenic being What about the monkey talking nonsense on TV
