Thrills

The Kelly Family

It's only everytime I'm looking to you straight in the eyes Baby, you know the eye is on you Everytime I'm looking to you straight in the eye Baby, baby, I get the thrills

Why won't you leave away from my side before you break my heart Baby, won't you lose, so please Leave away from my side before you break my heart 'cause baby, baby, baby, I get the thrills

It's only...
