

You Got Me Rockin' Now

The Kelly Family

Oh now, listen to my brother

I 'member as a kid
The crazy things that I did
The elders would go
But I'd come and steal them the show
Now I play the beat
My drums are moving your feed
There's no holding me back

You got me rockin' now, hey hey
You got me rockin' now, come on come on
You got me rockin' now, hey hey
You got me rockin' now, come on come on

Wherever I go I give my blood and my soul
With my brothers around me
I deliver a good show
I don't wanna stop until I physically drop
There's no holding me back

You got me rockin' now (oh baby), hey hey
You got me rockin' now, come on come on
You got me rockin' now, hey hey
You got me rockin' now, come on come on

When I come around the crowd goes crazy with me
I'm feeling so free, my Daddy sad I was born wild
You'll all make me dance 'till the mornin' light (oh yeah)
There's no holding me back

You got me rockin' now, hey hey (you got me rockin' now)
You got me rockin' now (oh no no no no), come on come on
You got me rockin' now, hey hey (you got me rockin' now)
You got me rockin' now, come on come on

You got me rockin' now, hey hey (oh oh oh oh)
You got me rockin' now (yeah yeah yeah yeah), come on come on
You got me rockin' now (my brother gave me a scared, hahahaha),
hey hey
You got me rockin' now, come on come on

Babe (oh yeah)
You got me rockin' now
hahahaha
