

You're Losing Me

The Kelly Family

You don't understand
the things you did to me
you don't understand
you don't understand at all

My hopes were great and true
but there's nothing I could do
all the pain you caused
you don't understand at all, yeah

You're losing me, you're losing my love
if you can't turn around, stop all your lies

Years went by and lost
I'm picking up my rests
I'm lifting up my life
you no longer understand

You know better than I
why it couldn't work
let us part in peace
for the little one of mine, yeah

You're losing me, you're losing my love
if you can't turn around, stop all your lies

We both need a break right now
stop it all and let's go home
We all need a break right now
stop it all and let's go home

You're losing me, you're losing my love
if you can't turn around, stop all your lies 2x

Never more will my lips speak your name
yeah, yeah, oh yeah
