You're Losing Me

The Kelly Family

You don't understand the things you did to me you don't understand you don't understand at all

My hopes were great and true but there's nothing I could do all the pain you caused you don't understand at all, yeah

You're losing me, you're losing my love if you can't turn around, stop all your lies

Years went by and lost I'm picking up my rests I'm lifting up my life you no longer understand

You know better than I
why it couldn't work
let us part in peace
for the little one of mine, yeah

You're losing me, you're losing my love if you can't turn around, stop all your lies

We both need a break right now stop it all and let's go home We all need a break right now stop it all and let's go home

You're losing me, you're losing my love if you can't turn around, stop all your lies 2x

Never more will my lips speak your name yeah, yeah, oh yeah
