

# Dibs

Kelsea Ballerini

I know everybody wants you  
That ain't no secret  
Hey baby what's your status?  
And tell me are you trynna keep it?  
Well, they can all back off  
'Cause I know what I want  
And while I've got your attention  
Did I mention:

If you got a kiss on your lips that you're looking for somebody to take (hey  
)  
If you got a heart that ain't afraid of love ain't afraid to break (hey)  
If you've got a Friday night free and a shotgun seat  
Well I'm just saying, I ain't got nowhere to be  
So baby I'll take whatever it is you've got to give  
Yeah

I'm calling dibs  
On your lips  
On your kiss  
On your time  
Boy, I'm calling dibs  
On your hand  
On your heart  
All mine

Make everybody jealous  
When I take you off the market  
And get my lipstick on your right cheek  
'Cause boy I've got to mark it  
Oooh  
So they can all back off  
Yeah  
'Cause I know what I want  
And while I've got you listening  
Come on and show me what I'm missing  
Yeah

If you got a kiss on your lips that you're looking for somebody to take (hey  
)  
If you've got a heart that ain't afraid to love ain't afraid to break (hey)  
If you've got a Friday night free and a shotgun seat  
Well I'm just saying I ain't got nowhere to be  
So baby I'll take whatever it is you've got to give  
Yeah, I'm calling dibs

If you've got a kiss on your lips that you're looking for somebody to take  
Hey, if you've got a heart that ain't afraid to love ain't afraid to break  
Heyyy, if you've got a Friday night free and a shotgun seat  
Well I'm just saying I ain't got nowhere to be  
So baby I'll take whatever it is you've got to give

On your lips  
On your kiss  
On your time

Boy, I'm calling dibs  
On your hand  
On your heart  
All mine

On your lips  
On your kiss  
On your time  
Boy, I'm calling dibs
