

# I Hate Love Songs

Kelsea Ballerini

I hate Shakespeare and Gosling and cakes with white frosting  
Two names in a heart-shaped tattoo  
I think cupid is stupid and violets are purple not blue  
I hate catching bouquets, the honeymoon phase  
And letterman jackets don't fit  
Your eyes can't hold stars and you'd die if your heart really s  
kipped

I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you

I hate pink hearts with glitter and Valentine's dinner  
And roses just die in a week  
We were drunk when we met so we don't know our anniversary  
And I'm far too vain to kiss in the rain  
The clouds, they aren't numbered to nine  
And you make me feel something but it sure as hell ain't butter  
flies

I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you  
Yeah

And I'll always love you but I don't have to sing it  
"For worse or for better" don't rhyme  
They say I got the right one so now I should write one  
But I'd rather just show you tonight

I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you

I hate love songs  
The old and the new  
I hate love songs  
But I love you
