Money Trees

Kendrick Lamar

Me and my niggas tryna get it, ya bish Hit this house lick tell me is you with it, ya bish Home invasion was persuasive From nine to five I know its vacant, ya bish Dreams of living life like rappers do Back when condom wrappers wasn't cool I fucked Sherene then went to tell my bros Then Usher Raymond "Let it Burn" came on Hot sauce all in our Top Ramen, ya bish Parked the car and then we start rhyming, ya bish The only thing we had to free our mind Then freeze that verse when we see dollar signs You looking like an easy come up, ya bish A silver spoon I know you come from, ya bish And that's a lifestyle that we never knew Go at a reverend for the revenue

It go Halle Berry or hallelujah Pick your poison tell me what you do Everybody gon' respect the shooter But the one in front of the gun lives forever And I been hustlin' all day, this a way, that a way Through canals and alleyways, just to say Money trees is the perfect place for shade and that's just how I feel A dollar might, just fuck your main bitch that's just how I feel A dollar might, say fuck them niggas that you came with that's just how I feel A dollar might, just make that lane switch that's just how I feel A dollar might, turn to a million and we all rich that's just how I feel

Dreams of living life like rappers do Bump that new E-40 at the school You know big ballin with my homies Earl Stevens had us thinking rational Back to reality we poor, ya bish Another casualty at war, ya bish Two bullets in my uncle tony head He said one day I'd be on tour, ya bish That Louie's Burger never be the same A louis belt will never ease that pain But I'mma purchase when that day is jerkin' Pull off at Church's with Pirelli's skirtin' Gang signs out the window, ya bish Hoping all of em offend you, ya bish They say your hood is a pot of gold And we gone crash it when nobodies home

It go Halle Berry or hallelujah
Pick your poison tell me what you do
Everybody gon' respect the shooter
But the one in front of the gun lives forever
And I been hustlin' all day, this a way, that a way
Through canals and alleyways, just to say

Money trees is the perfect place for shade and that's just how I feel

A dollar might, just fuck your main bitch that's just how I feel

A dollar might, just make that lane switch that's just how I feel

A dollar might, turn to a million and we all rich that's just how I feel

Be the last one out to get this dough? , No Way Love one of you bucket headed hoes?, No Way Hit the streets, then we break the code? No Way Hit the brakes, when they on patrol? No Way (2x)

Imagine Rock up in the projects where them niggas pick your pockets

Santa Claus don't miss them stockings, liquor spilling pistols popping

Baking soda YOLA whipping, ain't no turkey on Thanksgiving

My homeboy just domed a nigga, I just hope the Lord forgive $\ensuremath{\mathsf{him}}$

Pots with cocaine residue, everyday I'm hustling What else is a thug to do when you eatin' cheese from the government

Gotta provide for my daughter n'em, get the fuck up out my way, bitch

Got that drum and got them bands just like a parade, bitch

Drop that work up in the bushes, hope them boys don't see my stash

If they do tell the truth, this the last time you might see $\ensuremath{\mathsf{my}}$ ass

From the gardens where the grass ain't cut, them serpents lurking blood

Bitches selling pussy, niggas selling drugs but it's all good

Broken promises, steal yo watch and tell you what time it is

Take your J's and tell you to kick it where a footlocker is

In the streets with a heater under my dungarees Dreams of me getting shaded under a money tree

It go Halle Berry or hallelujah
Pick your poison tell me what you do
Everybody gon' respect the shooter
But the one in front of the gun lives forever
And I been hustlin' all day, this a way, that a way
Through canals and alleyways, just to say
Money trees is the perfect place for shade and that's
just how I feel

A dollar might, just fuck your main bitch that's just how I feel

A dollar might, say fuck them niggas that you came with that's just how I feel

A dollar might, just make that lane switch that's just how I feel
