

# Never Wanted Nothing More

Kenny Chesney

I couldn't wait to turn sixteen  
And drive all the boys around  
Foot on the gas and hands on the wheel  
Was all I could think about

A little rust in the bed of that truck  
And a four speed on the floor  
Five hundred dollars  
It was mine all mine  
And I never wanted nothing more

I took Katie down by the river  
With a six dollar bottle of wine  
Just a fool tryin' to play it cool  
Hopin' she'd let me cross the line

And I was prayin' that she couldn't tell  
I'd never been that far before  
The first time's a one time feeling  
And I never wanted nothin' more  
No I never wanted nothin' more

Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got  
I live to love and laugh a lot  
And that's all I need

My buddies all tried to change my mind  
But I told them that I thought it through  
Well Katie laughed and my momma cried  
When they heard me say I do

Her little ring was a little thing  
But it was all that I could afford  
Now shes mine all mine  
Till the day I die  
And I never wanted nothing more  
No I never wanted nothing more

Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got  
I live to love and laugh a lot  
And that's all I need

One Sunday I listened to the preacher  
And I knew he was preaching to me  
I couldn't help it I walked up front  
And I got down on my knee

Right then and there I swear  
I changed when I found the Lord  
Glory Hallelujah good God Almighty  
I never wanted nothing more  
No I never wanted nothing more

Well, I'm what I am and I'm what I'm not  
And I'm sure happy with what I've got

I live to love and laugh a lot  
And that's all I need

I never wanted nothing more  
And I never wanted nothing more
