

If You Believe

Kenny Loggins

Time, of rise and fly, over me, to the sea,
Love is a pride, wait for me, wait for me,

If you believe in me,
I will believe in what will be,
We want the world you've only dreamed of,
Promise of the seasons,
Give us the future please,
That's all we need of you.

Running in circles,
Desperate we hold to yours and mine,
Using my body,
Closing our hearts and eyes.

Oh no, open the door and let the wind blow,
Take my hand, together we stand in the eye of the hurricane.

If you believe in me
I will believe in what will be,
We want the world you've only dreamed of,
Promise of the seasons,
Give us the future please,
That's all we need of you.

Every nation, every woman, child and man
Comes on a moment, where they must take a stand,

Oh no, forget what you know, just let the wind blow,
Blown apart, you open your heart, and that's where anything can be.

If you believe in me
I will believe in what will be,
We want the world you've only dreamed of,
Promise of our seasons,
Give us the future please,
That's all we need of you.

Out of control, out of my mind, at last,
Into my dreams, we sailed away.

If you believe in me
I will believe in what will be,
We want the world you've only dreamed of,
Promise of our seasons,
Give us the future please,
That's all we need of you.

Oh sing it children
(If you believe in me)
Got to believe
(I will believe in what will be,)
Tell 'em what you want
(We want the world you've only dreamed of,)
World you've only dreamed of
(Promise of our seasons,)
(Give us the future please,)

(That's all we need of you.)

If you believe in me
I will believe in what will be,
We want the world you've only dreamed of,
Promise of our seasons,
Give us the future please,
That's all we need of you.
