

Rainbow Connection

Kenny Loggins

Why are there so many songs about rainbows?
And what's on the other side
Rainbows are visions but only illusions
And rainbows have nothing to hide

So we've been told
And some choose to believe it
And I know they're wrong
Wait and see

Someday we'll find it
The rainbow connection
The lovers, the dreamers and me

Who said that every wish would be heard and answered
When wished on the morning star
Somebody thought of that and someone believed it
Look what it's done so far

What's so amazing
That keeps us star-gazing?
And what do we think
We might see

Someday we'll find it
The rainbow connection
The lovers, the dreamers and me

All of us under its spell
We know that it's probably magic

Have you been half asleep and have you heard voices
I've heard them calling my name
Is this the sweet sound that calls the young sailors
I think they're one and the same

I've heard it too many times to ignore it
It's something that I'm supposed to be

Someday we'll find it
The rainbow connection
The lovers, the dreamers and me
