

All The Way

Kerli

I'm not afraid to slip or fall
In rain or shine I'm standing tall
No
I won't be there tonight
No
But I will be by your side
All the way

I know that nothing lasts forever
We journey once then no more never
No
I don't want an eternal life
No
Just let me be by your side
All the way
All the way

And don't bring me moons and stars
The sun or Mars
Just hold me baby
And don't let me slip away
Just make me stay
I need you
All the way
All the way
All the way

And don't bring me moons and stars
The sun or Mars
Just hold me baby
And don't let me slip away
Just make me stay
I need you
All the way
