Well I thought it was love at first sight You pulled the gloves off that first night Came out swingin' fightin' all night long Yeah we've been goin' round and round You've beat me up you've beat me down Don't think that we'll ever get along

Chorus

So why don't you get along, get along It's high time you got good and gone We can't seem to get along So why don't you get movin' on Holdin' out, holdin' on Tried to hard for way too long Girl I think it's time you get along

Well you're stubborn as an old pack mule You'd argue with a barstool Set you off and you'd fly right through the roof Yeah you're honry as an old wet hen You rule the roost with all your men Think it's time you finally flew the coup

Chorus

Yeah let's not try to work this out
Pack your bags and pack your mouth
Don't let that screen door hit you
When you're on your way out
You're hell on wheels you take the cake
Meaner than a rattlesnake
Just one thing left that I need from you

Chorus

Yeah I think it's time you get along
