

Rick James

Keyshia Cole

Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James
Yeah, bitch I'm Rick James
Rick James!
Slap a bitch like Rick James
I'm Rick James!

If you want my love,
Who is the one who's hurting now!
But you can keep your double standards,
It's funny how the tables turned around
Oooh oh oh bring em out
Oooh oh oh now now now
Oooh oh oh bring em out
Oooh oh oh now now now
Tell them Keyshia!
Yeah!

Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James
Yeah, bitch I'm Rick James
Rick James!
Slap a bitch like Rick James
I'm Rick James!
Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James
Yeah, bitch I'm Rick James, cold blooded
I'm Rick James!
Slap a bitch like Rick James, I'm Rick James!

Seems like it's a shadow
You can keep the pieces off the ground
Tell him that nothing matters
And it's way too late to talk it out!
Oooh oh oh bring em out
Oooh oh oh now now now
Oooh oh oh bring em out
Oooh oh oh now now now
Oooh oh oh bring em out out out

Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James
Yeah, bitch I'm Rick James
Rick James!
Slap a bitch like Rick James
I'm Rick James!

Dog for your shawty, you gon' pay for it later,
Baby girl, a mocha then a?

She know what she want, and she know how to get it
Shawty, know the game
No, nigga you can't play her
She bad, lookin' like a bag of money
Make her own fat ass, and flat stomach
She know she never got an ass for nothing
Chicks hate her, 'cause she half they wanted
Shawty came home starting? his mouth
She took her rings off in the garage
Damn!
Mama, don't play stop this shit?
She cold blooded like she got ice in her veins
Got me chillin'
The house coming down upon your spouse
Get my feet on your couch
Bitch I'm Rick James!

Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James
Yeah, bitch I'm Rick James
Rick James!
Slap a bitch like Rick James
I'm Rick James!
Why does it matter now?
Who can do you better
Feet up on your couch,
Yeah, bitch I'm Rick James

Cold blooded, I'm Rick James!
Slap a bitch like Rick James
