

Mature Nature

Kid Cudi

I, Yeah yeah
Wicked, Wicked Awesome

Heaven again, again
Heaven, again
Heaven again, again
Heaven again, Hmmm
Heaven again
Heaven again
Heaven again yeah
Heaven again

Mmm far out
Mmm oh this is so so so far out
Trust me, trust me
I trust you, I trust you
Mmm, again
(Wicked)

Heaven again, again
Heaven again
Heaven again, again
Heaven, heaven again
Mmm, heaven again
Yeah, Heaven again
Yeah, we're in heaven, again
Yeah, we're in heaven, again

So far out
I never want it
To end
Hmm, so far out
Hmm I trust you
Hmm I trust you, trust in me

Mhmm
Mmm yeah
In the moment snap it, no pictures
Grown women get on the floor, phone in the purse
there are levels
Spirit I'm wanting, someone of a mature nature is in verse
In moment, snappin' no pictures, phone in the purse
there are levels
Spirit I'm wanting, someone of a mature nature who's in verse

Heaven again, again
Heaven, again
Heaven again, again
Heaven again
Heaven again, heaven again
Heaven, again, heaven again
Yeah where ever, again
Yeah whatever, again
