

Son Of Detroit

Kid Rock

I like to play hank williams jr records
Just as loud as they will rock
Im into lynyrd skynyrd run dmc
And that american pimp kid rock
I like willie, waylon, george and merle and a lot of zz top
I like country, soul, rock-n-roll
And I love me some hip hop

Im a redneck rock-n-roll son of detroit
I dont like no new wave
Techno bands around
Im a drink a couple dozen beers
Go out and jam some gears
Im a long haired redneck rock-n-roll
Son of detroit

I got bougart and west coast chopper
That sure makes them bitches stare
Got a dead flamingo wrapped around this cowboy hat I wear
I like 2 cuss, yell, scream. fight
And raise all kinds of hell
And if you ride to live like I live to ride
Then let me hear that rebel yell

I like my whiskey straight up daiquiris
Make me ill
And if someone touches my beaver skins
I get mad enough to kill
I got a rifle rack in my pick up truck
Im a four wheelin maniac
And if you wanna race
Just name the place
And ill show you where its at
