Boys & Girls

Kill Hannah

Baby, baby, baby, baby, baby, baby, baby, baby...

She wants to go fast
And never come back
And never collapse
And he's a real animal
Gone out of control
Who'd rather die young than get old

Baby, baby, baby, baby, baby, baby, baby, baby...
(And they dance just like they know)

Boys and girls
Boys and girls
They dance like it's the end of the world
Boys and girls
They dance, dance, dance
Boys and girls
They dance like it's the end of the world
Boys and girls
They dance, dance, dance
Baby, Baby, Baby, Baby, Baby...

She's in designer jeans
On amphetamines
I want you badly
And he's a real cannibal
And suicidal
Erratic on heavy metal

Baby, baby, baby, baby, baby, baby, baby, baby...
(And they dance just like they know)

Boys and girls
Boys and girls
They dance like it's the end of the world
Boys and girls
They dance, dance, dance
Boys and girls
They dance like it's the end of the world
Boys and girls
They dance, dance, dance

Boys and girls
Boys and girls
They dance like its the end
Boys and girls
They dance like its the end
Boys and girls
They dance like its the end.
Boys and Girls..Girls..Girls..Girls..
