

Go!

Killer Mike

Yeah, still Killa Kill from the ville
With a flow so cold it'll froze your nose
Something like the blow did in the 90's
When I sold to the geeked out hoes
Must be the reason my flow so dope
Not dope meaning mean coke but dope meaning dope
What's that Killa? Y'all niggas don't know?
So School's in session, let's go
Dope shit get you 75 a brick that bullshit
Coke just gets you 24
Like my nigga told y'all niggas back in '96
The difference between a 4.0 and a 4.6
And you're on my dick
Pause
Get up off the polo draws
Y'all ain't seen a rapper this cold 186 since above the law
Ok?
Nigga with an attitude like Eazy, Ren, Dre and young O'Shea

Fuck that punk ass Glock he got on the block
I'm gonna hit him with the K

Have a nigga singing like Michel'Le
Have a nigga missing like JJ Fad
Beat a nigga dead like JJ dad
Damn damn James! Why you make me mad?

Let everyone know that the bad guys back
And he got a gun and he's dressed in black
Terrorist flow and I'm ready to attack
Bombs over Baghdad yes Iraq and Iran and I am
The motherfucking man with the motherfucking plan
Sitting with the strap on my motherfucking lap

Sipping on a pint of 'yac
In a Cadillac

Had these many bricks got these many paid
That's 1,1,2 in these many ways

Indeed I say the opposite of living in need
I say is greed they say

Stack your hundreds alright ok? Go!
