

## Until the Day

Killswitch Engage

The reverberations escape and embrace me to a lonely sleep.  
As thoughts hold on to me. With words left unspoken.  
I couldn't ease the pain so easily. Drown my sanity  
The distance apart, the longing in our hearts  
I will remain until the day I die  
We keep this path alive. Never break the ties  
I will remain until the day I die  
The open spaces. Another city passes as we sleep, and it calls  
to me  
The rhythm tears me open. Another crowd  
Another chance to bleed through this release  
And I taste the pain. No looking back as it begins again  
I wouldn't change a thing. I'll give it everything until the end.  
Until my final breath  
I will hold fast. Never turning back  
I will hold fast until the day I die. Forever I will remain
