Break the Rules Tonite (Out of School)

Kim Carnes

Now hold on honey where did you come from I never been so made about anyone Smile lights up like a radio dial You got no fashion but you sure got style

Let's break the rules tonight Let's stay out late I won't tell let's break the rules tonight Let's stay out late I won't tell 1et's break the rules tonight

I wanna hover you honey in a one way trap Get you cornered in a cul-de-sac My resistance just left the room It's cold outside and there's a big ol' moon

Let's break the rules tonight Let's stay out late I won't tell let's break the rules tonight I won't tell 1et's break the rules tonight

When you love somebody that you can't have It's hell boy it's hell When ya need somebody and you feel so bad 'Cause he's so good and he's so damn bad Let's stay out late I won't tell Let's break the rules tonight

I say yes when I should say no And everybody says I told you so But I don't care 'Cause it's too late Here you come And I can wait

Let's break the rules tonight Let's stay out late I won't tell let's break the rules tonight Let's stay out late I won't tell 1et's break the rules tonight
