Don't Fall In Love With A Dreamer

Kim Carnes

Just look at you sittin' there You never looked better than tonight And it'd be so easy To tell you I'd stay Like I've done so many times I was so sure This would be the night You'd close the door And wanna stay with me And it'd be so easy To tell you I'd wait Like I've done so many times Don't fall in love with a dreamer Cause he'll always take you in Just when you think You've really changed him He'll leave you again Don't fall in love with a dreamer Cause he'll break you every time So put out the light And just hold on Before we say goodbye Now it's morning And the phone rings And you say you've gotta Get your things together You've gotta leave Before you change your mind And if you knew what I was thinkin' I'd turn around If you'd just ask me one more time Don't fall in love with a dreamer Cause he'll always take you in Just when you think You've really changed him He'll leave you again Don't fall in love with a dreamer Cause he'll break you every time So put out the light And just hold on Before we say goodbye
