## **Me And You**

## **Kim Richey**

I could say I didn't love you You could say you never cared We'd both know that isn't true Me and you Me and you I don't let too much get to me I shake it off like rain I've raised the glass in memory to Me and you Me and you Me and you Seems like the things got rough Oh, it wasn't good enough Oh, I tried to patch things up Alas, we have to hold on to Me and you Me and you Me and you We could shuffle through reasons Why bother keepin' score We got blame enough for two Me and you Oh, me and you Me and you
