

# Waste It All

Kim Walker-Smith

Covered in shame, hiding my face  
I owed a debt I could not pay  
Searching in vain to fill my heart's ache  
I threw my worth away

When I thought all was lost  
You sought me and You came to my defense  
This priceless gift You gave  
Was not meant for me to hold

I want to waste it all on You  
I want to pour my heart's perfume  
I don't care if I'm called a fool  
I'm wasting it all on You

Lifting my head, holding my face  
Wiping my endless tears away  
You unlock my heart whispering grace  
How could I leave this place?

When I'm here at Your feet  
I can feel You, all the voices fade away  
I will spend all my days  
Giving back the love You gave

I'm gonna waste it all on You  
I'm gonna pour my heart's perfume  
I don't care if I'm called a fool  
I'm wasting it all on You

All for love and all for me  
You gave it all for me to be  
Alive in You and You in me  
Lord I surrender  
To Your love and to Your touch  
And to the way You give too much  
I'm too in love to not be all for You!

I'm gonna waste it all on You  
I'm gonna pour my heart's perfume  
I don't care if I'm called a fool  
I'm wasting it all on You

Wasting it all on You, Jesus  
Let me come and pour my love on You  
My sweet perfume  
I'll waste it all on You God  
Lift your voice tonight  
Lift your voice tonight  
Pour it out, all your love, all your worship on Him tonight  
He is worthy, He is worthy, He is worthy  
I'll open up, I'll open up and pour it out  
Pour out my love like perfume, on You Jesus  
Hold nothing back, hold nothing back  
I'll pour it all on You, my love, yes  
Oh, You are so deserving, so deserving, God  
With all I am and all I have, I give it all to You

I'm gonna waste it all on You  
I'm gonna pour my heart's perfume  
I don't care if I'm called a fool  
I'm wasting it all on You
