If I only could deceive you Forgetting the game Every time I try to leave you You laugh just the same

'Cause my wheels never touch the road And the jumble of lies we told Just returns to my back to weigh me down...

We lay cards upon the table
The backs of our hands
And I swear I like your people
The boys in the band

Reminiscences gone astray
Coming back to enjoy the fray
In a tangle of night and daylight sounds...

All completeness in the morning Asleep on your side I'll be waking up the crewmen Banana-boat ride

She responds like a limousine Brought alive on the silent screen To the shuddering breath of yesterday...

There's the succour of the needy Incredible scenes
I'll believe you in the future
Your life and death dreams

As the cavalry of despair Takes a stand in the lady's hair For the favour of making sweet sixteen...

You make my life and times A book of bluesy Saturdays And I have to chose...
