

## Connecting Pain

Kingdom Come

Hey man, what have you done  
Hey man, another run  
Lost minds, try to forget  
Sad eyes, turning mad

Stealer - take all you can  
Healer - ain't your name my man

Cool man, connecting the pain  
Cool man, make your claim  
Hey man, it's all coming back  
Can't hide, by changing flags

Stealer - take all you can  
Healer - ain't your name my man  
Dealer - spreading the trap  
Preacher- cannot save the dead

Go on keep avoiding the truth  
Soon you won't be amused  
Now you're feeling so tall  
That sure ain't your fault
