

Closer

Kings of Leon

Stranded in this spooky town,
Stoplights are swaying and the phone lines are down
Floor is crackling cold,
She took my heart, I think she took my soul
With the moon I run,
Far from the carnage of the fiery sun

Driven by the strangle of vein
Showin' no mercy I do it again
Open up your eyes
You keep on crying, baby I'll bleed you dry
Skies are blinking at me
I see a storm bubbling up from the sea

And it's coming closer [2x]

You shimmy-shook my boat,
Leavin' me stranded all in love on my own
Do you think of me?
Where am I now, baby where do I sleep?
Feels so good but I'm old
2000 years of chasing takin' its toll

And it's coming closer [4x]
