

Don't Matter

Kings of Leon

Such a swine, lips like wine but it don't matter to me
Take a turn before I burn it don't matter to me
Like a snake, I wake and I bake it don't matter to me
I can fuck or I can fight it don't matter to me

'Cause it's always the same and I'm always the same

Uncle Sam, he looks god damned but it don't matter to me
I don't know where I'm gonna go it don't matter to me
You could bleed and stain my seat it don't matter to me

'Cause it's always the same and I'm always the same, whoa

You're not a man everybody said but it don't matter to me
Dirty feet on my seat it don't matter to me
Break my heart tear me apart it don't matter to me, no no
I put a shine in your eye it don't matter to me

'Cause it's always the same and I'm always the same, whoa
