

Kissin' Time

Kiss

Come on, Charlotte
Wake up, San Diego, Milwaukee, Miami
Put your two lips together and kiss

We're kissin' in Cleveland and Cincinnati, too
Way out in Chicago, I'll tell you what to do
They party all over, even in St. Lou'
So, baby, get ready and I'll be kissin' you

Woah, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight

We're kissin' in Dallas and Philly's goin' wild
So let's kiss, Atlanta, ho, you know we'll make it smile
We love the women way down in Tennessee
So baby come on now and start a-kissin' me, yeah

Woah, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight

Kiss all of Seattle, L.A. to Baltimore
You know we been kissin' in Frisco, so lets kiss some more
Let's do it in Detroit, they all know the score
So, baby, oh, baby, what are we waitin' for?

Woah, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight

Woah, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight

Woah, 'cause anytime is kissin' time, USA
So treat me right, don't make me fight
And we'll rock and roll tonight
