

Yeeeeaaaaah.....

1. Hello  
Here I am, here we are, we are one  
I've been waiting for this night to come  
Get up!  
Now it's time for me to take my place  
The makeup runnin' down my face  
We're exiles from the human race

R: You're in the psy...  
You're in the psycho circus  
You're in the psy...  
You're in the psycho circus  
And I say "Welcome to the show"

2. I've been waitin' here to be your guide  
So come  
Reveal the secrets that you keep inside  
Step up  
No one leaves until the night is done  
The amplifiers start to hum  
The carnival has just begun

R: You're in the psy...

Welcome to the show  
Welcome to the show  
The show
