

Reason To Live

Kiss

1. Out of love, there's nobody around, all I hear is the sound
of a broken heart
Out of time, no more waitin' for you
Now the hurtin's through, and a new day starts
And I feel a change in my life, I sailed into dark and endless
nights
And made it alive

R: Everybody's got a reason to live, baby
Everybody's got a dream and a hunger inside
Everybody's got a reason to live, but it can't be your love

2. Out of touch, with myself for so long, now a feelin' so strong
comin' over me
Down the line, there's a lesson I've learned
You can love and get burned, if it has to be
And I see a change in my life, and I'm not alone when I'm strong
inside
And I realize

R: Everybody's got...

And I feel a change in my life
And I'm not alone when I'm strong inside and I realize

R: Everybody's got... (2x)
