

See You Tonight

Kiss

I know it's around, I don't have any doubts about that night
I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite

But I know it's around, I don't have any doubts about that night

I'll see you get it tonight, and if I can't I'll cry and cry
I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite, outside
See you tonite, outside, see you tonite

You won't see me without it and I'll see you tonite, outside
See you tonite, outside, see you tonite

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite, outside
See you tonite, outside, see you tonite

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite, outside
See you tonite, outside, see you tonite
