

# Sure Know Something

Kiss

1. I've been up and down, I've been all around  
I was mystified, almost terrified  
But late at night I still hear you call my name  
I've been on my own, I've been all alone  
I was hypnotized, I felt paralyzed  
But late at night I still want you just the same

R: I've been a gambler, but I'm nobody's fool  
And I sure know something, sure know something  
You showed me things they never taught me in school  
And I sure know something, sure know something  
No one can make me feel the way that you do  
And I sure know something, aha

2. I was seventeen, you were just a dream  
I was mesmerized, I felt scared inside  
You broke my heart and I still can feel the pain  
I've been counted out, I've had fear and doubt  
I've been starry eyed, never satisfied  
'Cause late at night I still need you just the same

R: I've been a gambler...

\*: I've been counted out, I've had fear and doubt  
I've been starry eyed, never satisfied  
'Cause late at night I still need you just the same  
Just the same, yeah

R: I've been a gambler... (2x)
