

I've walked through the valleys of the wilderness and time  
Only to find out  
That you have love in places I can't describe  
I need you, it's the sunrise

I just wanted to let you know  
I love you, don't ever let go  
Cause the sun don't shine when you're not around mine  
It's only night  
Could never be without you

Singing the sun don't shine, the sun don't shine  
The sun don't shine, the sun don't shine  
Without you, without you  
Through all the space and times, your love is mine  
Cause the sun don't shine, the sun don't shine  
Without you, without you, yeah

When I saw you rise the other day,  
I felt all worries just seemed to melt away  
Into you, yeah into you, yeah

I just wanted to let you know  
I love you, don't ever let go  
Cause the sun don't shine when you're not around mine  
It's only night  
Could never be without you

Singing the sun don't shine, the sun don't shine  
The sun don't shine, the sun don't shine  
Without you, without you  
Through all the space and times, your love is mine  
Cause the sun don't shine, the sun don't shine  
Without you, without you, yeah
