

Make Me Bad

Korn

1. I am watching the rise and fall of my salvation
theres so much shit around me such a lack of compassion

X: I thought it would be fun and games
instead its all the same
I want somethings to do
need to feel the sickness in you

R: I feel the reason as its leaving me no not again
its quite deceiving as Im feeling the flesh make me bad

2. All I do is look for you I need my fix you need it to
just to get some sort of attention attention

X: What does it mean to you
for me its something I just do
I want something
I need to feel the sickness in you

R: I feel the reason... (4x)

*: Come back come back, don't walk away
Come back come back come back today
Come back oh my why can't you see?
Come back come back come back to me
