

# Leave You Alone

Kris Allen

I've never been the one  
for saying the right thing  
And I messed up again  
broke your heart  
without even trying

And I blamed it on you  
but there is no evidence for my case  
And I know the truth  
but I still can't point the blame in my face

So I'll grab my coat  
and see you tomorrow

Tell you what I'm gonna do to make it up to you tonight  
I'm gonna leave you alone  
Leave you alone  
'cause I don't know any other way to try to make it right  
I'll just leave you alone  
I'll leave you alone tonight

You probably know  
that you did nothing this time  
But I made it known  
that I'm not gonna give up being right

So I'll grab my coat  
and see you tomorrow

I'll tell you what I'm gonna do to make it up to you tonight  
I'm gonna leave you alone  
Leave you alone  
'cause I don't know any other way to try to make it right  
So I'll just leave you alone  
I'll leave you alone

Tell you what I'm gonna do to make it up to you tonight  
I'm gonna leave you alone  
I'm gonna leave you alone  
'cause I don't know any other way to try to make it right  
So I'll just leave you alone  
I'll leave you alone tonight  
I'll leave you alone tonight  
I'll leave you alone tonight
