## **Aguila del Norte**

Did anybody see them?
I heard there was a baby
Somebody heard her crying
Weaker through the night

They beat her mama bloody And shot her with her daddy It was the terror from above El Aguila Del Norte

Down in Nicaragua Running from the shadows Striking holy terror Deeper in the heart

You believe in Freedom And you believe in justice But not in Nicaragua Not in Nicaragua

Aguila Del Norte
We can see your power
And the beauty of your freedom
What is in your heart?

You believe in honor And you believe in Jesus But not in Nicaragua Not in Nicaragua
