## **Breakdown (A Long Way from Home)**

## **Kris Kristofferson**

The clubs are all closed, and the ladies are leavin'
There's nobody nobody knows on the street
A few stranded souls standin' cold at the station
And nowhere to go but to bed and to sleep

Lord would you look at you Now that you're here ain't you Proud of your peers And the long way you've come

All alone all the way
On your own, who's to say
That you've, thrown it away for a song
Boy you've, sure come a long way from home

So it's so long so many so far behind you Fair-weather friends that you no longer know You still got the same lonely songs to remind you Of someone you seemed to be, so long ago

Lord would you look at you Now that you're here ain't you Proud of your peers And the long way you've come

All alone all the way
On your own, who's to say
That you've, thrown it away for a song
Boy you've, sure come a long way from home
