

## Krush Them

KRS-One

We crush, them, and they click  
Let me tell you right now what you supposed to get  
You supposed to get free and intelligent  
Not a platinum plaque, that's irrelevant  
We CRUSH, THEM, and they crew  
Let me tell you right now what you supposed to do  
While they floss with the chi-ching and all the rings  
You stay focused, keep doin your thing  
You cannot get the diamond ring, if you can't really sing  
Or if you haven't got a skill, that you ready to fling  
What you bringin to the table if you not really able  
Tryin to get to the top, like the Tower of Babel  
Back in the days, remember all the old gold cables  
Where they at now? Sold, when they dropped from the label  
All the money they gave you made you very unstable  
They really enslaved but you wasn't able with the coke in your nasal  
to see, you up in the crib but they rockin your cradle  
You a joke and you fatal, they made you an M.C.  
Meaning: Most Confused  
Not E-M-C-E-E, that's what I use  
Many people really wanna know from me  
when I'ma drop and they can go cop, the next LP  
Or CD, or T-A-P-E you see  
It's about word of mouth, for me

We crush, them, and they click  
Let me tell you right now what you supposed to get  
You supposed to get free and intelligent  
Not a platinum plaque, that's irrelevant  
We CRUSH, THEM, and they rap  
Yo, they don't really know where the money is at  
And what's funny is that, is if you'd just stay focused  
they'd be the one to be the brokest!  
I'm from the inner city, that's right  
Flashy asses and titties that's right  
No pity mad graffiti that's right  
Broken gang treaties, that's real  
I speak complete broken slang freely at will  
I spit what I'm about to spit, get what I'm about to get  
Never no counterfeit, movin about a bit  
Knowledge Reigns Supreme, only a few like the sound of it  
Others can't get down with it (ONE.. TWO.. THREE.. BREAK!)  
So why did I have to come off my sabbatical?  
Battle you? My metachromatical will splatter you  
I got another track to do, I can't mack witchu  
Your rhymes are fictional, mine are factual  
I'll embarrass you, I'm glad to do  
I'm the teacher but in the streets it can be bad for you  
I feel sad for you, cause you frontin like you gettin ahead  
but you really on E instead  
I've come to show these people you're not my equal  
All you want is the cash and a hoe in a see-through  
Yeah; KRS-One comin through with the breeze team  
You know how we do

We crush, them, and they click  
Let me tell you right now what you supposed to get

You supposed to get free and intelligent  
Not a platinum plaque, that's irrelevant  
Yo we crush them, and they squad  
Let me tell you right now that it's all about God  
You can walk around the streets like you livin it hard  
But a real teacher know when you scarred  
I refuse to be bought, I refuse to snooze  
I refuse to come up short, I refuse to lose  
I refuse to be caught in the court  
I refuse to refuse bein taught, I refuse evil thoughts  
Cause they whole {shit's} wack, trap's wack  
You're wack, you're pack's wack, in fact I jab-slap that  
Cap at that, now, retract that crap, wherever I'm in or at  
You better go back and sip that crap  
Bring your gat, I'm lovin that  
Like football, you'll be, runnin-back  
Blazin 'em, merely dazin 'em, barely playin 'em out  
These are God's lyrics, I'm just sayin 'em out

We crush, them, and they click  
Let me tell you right now what you supposed to get  
You supposed to get free and intelligent  
Not a platinum plaque, that's irrelevant  
We CRUSH, THEM, and they crew  
Let me tell you right now what you supposed to do  
You supposed to be buttoned up right to your neck  
If you a woman, you'll get respect  
Let me tell you we crush the, and they crew  
Let me tell you right now what you supposed to be  
You supposed to be a man of integrity  
Above the law, you effect destiny  
We CRUSH, THEM, and they lies  
This is concious rap, we not hypnotized  
Anywhere the action's at, we rappin at  
Takin it home and unpackin that-that-that
