Live in the place to be
Soopafly, comin at ya
I don't stop and i don't quit
Comin with that dogg pound gangsta shit
Yea, peep game
Check, i break a nigga neck
I keep a nine in my pocket and a home deck
I like to rock a show
I'm stackin c-notes
It's soopafly mothafucka if you didn't know
Now peep so sweet unique i doubt if you could top the peak
Keep em in check
No sweat cock back fist connected to cheek
They sleep
Kick em in they ass wake up, uh now
Let me take you on a journey block to block
Show you how to pack heat, drop and 6 4 hop
Cut it up, chop, my homie got it, tray don't stop
Had them bitches dope fiending like i'm slangin them rocks
Straight from the 1 we don't take no shit
We off in the cut waitin for y'all niggas to trip
We the last mothafuckas you want to fuck with
When you in close range you best to duck quick
Or get smashed your last chance to forfeit
Game over
I knock a nigga from drunk to sober
I hope i don't have to maneuver the choker
If you wanna dance i do the polka
Stickin fuck bitch made soop look like a switchblade
Can i ride in your car?
Girl i've gone too far
Can i smoke on your weed?
Nah, that ain't what you need
Can i borrow a dollar?
No, but you can eat this dick
While i smash my shit and i pop in my car
Can i give you my number?
Yea, next summer
But i'm hungry baby
Sh, me too, that's crazy
So open up the door cuz i'm ready to go
```

Ain't you treatin baby?

Now all salute the supreme general that got style
And watch how i rock and lock the block down
Tightly to fight me will cause disaster
No chance to surpass the vocab i master
As the sun rotate, took my guns off safe
Been a thug since 8, always drug my weight
I state the facts, mothafuck a platinum plaque
Always got my stack jackin off from havin a sack

Niggas act as if they back is stiff and can't put work in Shake the turf then get to tuckin they shirts in But i'ma stay bangin
The game that i'm claimin
Gold chain swangin
While the six trey hangin
Back bumpa
Impact the dumpa in the stash spot mash out
Knock it locked up with the ass drop
