Everything I Need

Kutless

When every step is so hard to take
And all of my hope is fading away
When life is a mountain that I can not climb
You carry me, Jesus carry me

You are strength in my weakness
You are the refuge I seek
You are everything in my time of need
You are everything, You are everything I need

When every moment is more than I can take And all of my strength is slipping away When every breath gets harder to breathe You carry me, Jesus carry me

You are strength in my weakness
You are the refuge I seek
You are everything in my time of need
You are everything, You are everything I need

I need You You are everything I need I love everything about You

You are strength in my weakness
You are the refuge I seek
You are everything in my time of need
You are everything, You are everything I need
