

# I Do Not Belong

Kutless

I look around and I feel like, thing's changed and I don't know  
why  
And everyday that passes by I feel so far away  
I can see in the distance, You have the rest of me  
I put my trust in you, as I look beyond today  
It's all becoming clear.

I do not belong in a world of broken pieces  
I was meant to be in the arms of Your redemption  
I am moving on to the place of Your perfection  
Cause I do not belong

When the world is behind me on the day that I breathe my last  
In the face of eternity there's hope cause' I believe  
When I look to the heavens and the future that you hold  
It makes it easier to see beyond today  
Now I'm looking to the sky

I do not belong in a world of broken pieces  
I was meant to be in the arms of Your redemption  
I am moving on to the place of Your perfection  
Cause I do not belong

This world is not my home  
I'm a stranger in this land  
But I am not alone  
When I do not belong:

I do not belong in a world of broken pieces  
I was meant to be in the arms of Your redemption  
I am moving on to the place of Your perfection  
Cause I do not belong  
No, I do not belong  
I do not belong
