

Vow

Kutless

Another year has come and gone but nothings changed
I've wasted another year doing the same old things
I want to break out of this and turn my life around
I'm going to make a vow to repent and turn to you.

I'm crying out to you now as I make my new years vow
I'll tell you I love you and I'll honor you somehow
Hear my promise to you in this new years vow I give
You all of me
You'll be all of my life and I'll never think twice to
do all that you have for me
In my new years vow

Lord I'll do my best to do, all that I say
I'm not perfect but I know, that's OK
If I stumble you won't condemn my shame
I'm going to make a vow to repent and turn to you

Its a new year this year is different
From the other ones...
