

# Riding Shotgun

Kygo

I love you more than money  
Even more than dope  
No I can't tell but  
But if it came down to it  
Up against the ropes  
Have me in your corner

Gonna just come out and say it  
Nothing for the both of us is crazy  
But I love you anyhow  
It's just how we get down  
One of us lost and the other is found  
And I found myself a partner  
Even though it's getting darker  
If you feel like hope is gone  
We can make it until dawn  
Baby we just gotta keep holding on

Oh let me go, don't let me go  
I can't take it  
'Cause I got to be the one that's riding shotgun  
You know that I'm your ride or die  
So quit thinking  
'Cause I got to be the one that's riding shotgun  
'Cause I got to be the one that's riding shotgun

I hate your taste of music  
Hated from your smoke  
But your kiss is fire  
And if I said I'd leave you  
If I said it goes  
Don't you think I lie

Gonna just come out and say it  
Nothing for the both of us is crazy  
But I love you anyhow  
It's just how we get down  
One of us lost and the other is found  
I found myself a partner  
Even though it's getting darker  
If you feel like hope is gone  
We can make it until dawn  
Baby we just gotta keep holding on

Oh let me go, don't let me go  
I can't take it  
'Cause I got to be the one that's riding shotgun  
You know that I'm your ride or die  
So quit thinking  
'Cause I got to be the one that's riding shotgun  
'Cause I got to be the one that's riding shotgun

You can't let me go  
I'm your radio  
Keep on turning me up  
Oh, you can't let me go  
I'm your radio

Keep on turning me up
