

# Courage

Kyla La Grange

You say you like my conversation over again  
But you don't love me  
You say I have a heart of gold and a body that you'd long to hold  
And it kills me  
You say you like my company you'll spend all my time  
But you don't love me  
And I know if I sailed a thousand seas and threw myself down on  
my knees  
You'd leave me

I think maybe there's a hope in your soul  
I think maybe there's a hole in your soul

Hold your hands or don't leave me hanging on  
Hold your hands oh don't leave me waiting on

Courage will you come to my aid  
Oh courage will you come to my aid

You hide a hundred implications under your skin  
And you don't love me  
You run your fingers through my hair  
And put the heart I have laid bare

Let everybody see

I build you in to hold my plans you open my heals  
But you don't love me  
You say you cannot help yourself  
That your emotions cannot spell  
That I can't make you feel

I think maybe there's a hope in your soul  
I think maybe there's a hole in your soul

Hold your hands or don't leave me hanging on  
Hold your hands oh don't leave me waiting on

Courage will you come to my aid  
Oh courage will you come to my aid

Courage will you come to my aid  
hold your hands or don't leave me hanging on  
Oh courage will you come to my aid  
hold your hands oh don't leave me waiting on
