

Cut Your Teeth

Kyla La Grange

Didn't I warn you not to?
Didn't I warn you good?
Maybe we couldn't help it
Maybe we never should

Didn't I say it slowly?
Didn't I make it clear?
Is it unfair to ask you?
Why there's love still here?

You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I'll play a word song to a page for you
And you never knew my name

Didn't I make it harder?
Didn't I leave you that?
Was it too much to ask you?
Why does you still care?

You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I'll play a word song to a page for you
And you never knew my name

Come back, baby at times I'll cut you up and never let go
Sweet love, play your song
Call your mother, say take me home
Like your smile, don't say not
Another man down if you let them know

You cut your teeth on the lack of answers, singing
Come back home and it don't feel the same
Well I'll play a word song to a page for you
And you never knew my name
