

Hand on Your Heart

Kylie Minogue

Well it's one thing to fall in love
But another to make it last
I thought that we were just beginning
And now you say we're in the past

Oh, look me in the eye
And tell me we are really through
You know it's one thing to say you love me
But another to mean it from the heart
And if you don't intend to see it through
Why did we ever start?

Oh, I wanna hear you tell m
Put your hand on your heart and tell me
It's all over
I won't believe it till you
Put your hand on your heart and tell me
That we're through

Put your hand on your heart
Hand on your heart

They like to talk about forever
But most people never get the chance
Do you wanna lose our love together?
Do you find a new romance?

Oh, I wanna hear you tell me
You don't want my love

Put your hand on your heart and tell me
It's all over
I won't believe it till you
Put your hand on your heart and tell me
That we're through

Put your hand on your heart
Hand on your heart

So put your hand on your heart and tell me
It's all over
I won't believe it till you
Put your hand on your heart and tell me
That we're through, ooh, ohh

Put your hand on your heart
Hand on your heart
