

In Your Eyes

Kylie Minogue

1. What on earth am I meant to do
In this crowded place there is only you
Was gonna leave Now
I have to stay
You have taken my breath away

*: ...oooooh
Is the world still spinning around
...oooooh
I don't feel like coming down

R: It's in your eyes
I can tell what you're thinking
My heart is sinking too
It's no surprise
I've been watching you lately
I want to make it with you

2. Destiny has a funny way
When it comes and takes all your cares away
I can't think of a single thing
Other than what a beautiful state I'm in

*: Ooooooh...
Is the world still spinning around (spinning around)
Ooooooh...
I don't feel like coming down

R: It's in your eyes... (3x)
