

# Looking for an Angel

Kylie Minogue

Sometimes it's easy  
It's meant to be  
Dream of the moment  
You'll be with me

'Cause I wanna look down now  
I wanna get deeper  
Can you let me in?  
To show me places  
To be my keeper  
I'm waiting for my Seraphim

Oh, I'm looking for an angel  
For an angel  
Looking for an angel  
Yeah I'm looking for an angel  
For an angel  
Looking for an angel

My heart is ready  
My mind is open  
My body's aching  
I wait for you

'Cause I wanna rise up now  
Don't wanna be a bound  
Reach up to the sky  
Into the distance  
And the future  
Is waiting for me in your eyes

...Looking for an angel  
For an angel  
Looking for an angel  
Yeah I'm looking for an angel  
For an angel  
Looking for an angel  
(I'm waiting, I'm waiting for you)

Oh, I'm looking for an angel  
For an angel  
Looking for an angel  
Yeah I'm looking for an angel  
For an angel  
Looking for an angel

And when good things are good  
I want to share them  
I don't want to be alone  
And when darkness falls  
Will you hear my call  
And show me the way back home?

'Cause I want this life  
To be twice as nice  
With somebody by my side  
So my dreams are things

Like your golden wings  
When you carry me and fly

'Cause I wanna look down now  
I wanna get deeper  
Can you let me in?  
To show me places  
To be my keeper  
I'm waiting for my Seraphim

I'm looking for an angel  
For an angel  
Looking for an angel  
Yeah I'm looking for an angel  
For an angel  
Looking for an angel

Oh, I'm looking for an angel  
For an angel  
Looking for an angel  
(I'm waiting, I'm waiting for you)  
Yeah I'm looking for an angel  
For an angel  
Looking for an angel  
(I'm waiting, I'm waiting for you)

I'm waiting, I'm waiting for you
