

# Love at First Sight

Kylie Minogue

Thought that I was going crazy  
Just having one those days yeah  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out to fill up the sky  
The music you were playing really blew my mind  
It was love at first sight

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one...

Was tired of running out of luck  
Thinking 'bout giving up yeah  
Didn't know what to do  
Then there was you

And everything went from wrong to right  
And the stars came out to fill up the sky  
The music you were playing really blew my mind  
It was love at first sight

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one (to be as one)...

Baby when I heard you  
For the first time I knew  
We were meant to be as one...

Everything went from wrong to right  
And the stars came out and filled all the sky  
The music you were playing really blew my mind  
It was love at first sight

Love at first sight  
Love at first sight  
Love...  
Ouhh, it was love, it was love at first sight

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one (to be as one)...

'Cause baby when I heard you  
For the first time I knew  
We were meant to be as one...

It was love, it was love, it was love, it was love  
Ouhh, it was love, it was love, it was love, it was love  
Ouhh, it was love, it was love, it was love, it was love
