

## Some Kind Of Bliss

Kylie Minogue

Shut my eyes  
Feel the colour of you  
So get to this elation  
So high so fast

Shut my eyes  
Feel the colour of you  
Succumb to this illusion  
So strong so deep

Cos everyday is all there is  
In my some kind of bliss  
Cos everyday is all there is  
In my some kind of bliss

...and so on
